

July 16, 2010

Dear Community First Health Plan Provider:

Effective September 16, 2010, Community First Health Plans (CFHP) will be making the following adjustments to the base rates utilized in calculating the reimbursement levels for the CHIP, CHIP-Perinate, and Commercial populations.

Commercial:

- **Effective September 16, 2010, Community First Health Plans will begin using the 2009 RBRVS for the base commercial fee schedule.**

CHIP and CHIP Perinate:

- **Effective September 16, 2010, Community First Health Plans will begin using the Texas Medicaid Fee Schedule as the base fee schedule for all for the Children's Health Insurance Program (CHIP) and Children's Health Insurance Program Perinate (CHIP-P).**

Your individual participation in Community First Health Plans (CFHP) is greatly appreciated and has been key to our ability to maintain a viable full service quality network for our government sponsored and commercial populations. Thank you for your continued support and cooperation. If you have any questions, and would like to discuss this further, please contact your individual CFHP Provider Relations Representative.

Sincerely,

Network Management
